VICIOUS CIRCLE.

that they are to day a community for whose protection a National Commission of Charities, if not of Corrections, has been established. Declared by their professional champions to be the 'wards of the nation,' they are the recipients of elemonynary aid, not as inmad panjers of the superior race receive charity, as a separate community, baving special and forcibly says:

new social and industrial status has not yet been assured; that, practically, in all but exceptional cases, they are social aliens for the time by the very set of their emancipation, and that the terrible disabilities which this social alienation entails—even if it is but temporary—entitle them to the eleemosynary aid which the liberality of Congress has provided.

"The very existence of the Freedmen's Bureau implies that the condition of the negro, in his present transition state, is at best that of a minor; and yet, those who most leudly proclaim the responsibility of the nation for the protection of its 'wards' at the South are those who urge with most offensive and indecent haste that these 'wards, helpless, ignorant, and too generally debased as they have been under the crushing heel of enforced servitude, shall be invested with all the privileges and immunities of citizenship."
